SPECIAL TOWN MEETING

PETITION

November 23, 1942

Honorable Oscar L. Young
Chief Justice of the Superior Court
of New Hampshire

SIR:

The Selectmen of the Town of Bartlett, New Hampshire, respectfully petition you for authority to hold a special town meeting in said town of Bartlett under the provisions of Chapter 56, Laws of N. H., 1927.

The purpose of this special town meeting is to see if the town will vote for the issuance of serial notes in the amount of ten thousand dollars, to run ten years, under authority of Chapter 154, Laws of N. H., 1941.

The reason for this note issue is the accruing of a deficit over a period of several years, due to these specific causes:

A. *Expenditures Without Appropriation.*

1. The sudden demand for payment of School District notes amounting to \$3,500, which the town, as the ultimate source of revenue, paid by borrowing, has constituted a liability.
2. The so-called Wood Job, in which the town, with the approval of the citizens, operated a wood-cutting project to combat unemployment. As this was a relief measure it was operated on a daily pay roll basis regardless of the production element and while over six thousand dollars was paid to the workers as wages a deficit of one thousand dollars resulted.

3. The Hurricane and Flood emergency of 1938-39 necessitated the expenditure of twelve hundred dollars.
4. It is customary to appropriate at a given town meeting sufficient funds to cover the outlay for snow removal for the preceding fiscal period. In 1939 snow removal cost the town \$4,508.12 and the budget of 1940 provided only \$3,000.00 to pay for it.
5. With the general approval of the citizens, the Stillings place was purchased to obviate the necessity of running a school bus to this isolated spot with its concomitant up-keep of road. Seven hundred dollars was expended for this purpose.

B. *Appropriations Exceeded*

1. In 1940 one thousand dollars was appropriated for Town Maintenance. This amount was known to be insufficient, but certain sponsors advocated that amount as a "deterrent gesture" against over-spending. Conditions called for the expenditure of \$2,553 83.

These liabilities give a round figure of \$9,462 00. To some extent this amount has been reduced by applying overlay unexpended balances to the deficit.

We have not raised the tax rate because it would put too great a burden on struggling tax payers. Our valuation is approximately \$1,000,000, and each \$1000 to be raised would increase the tax rate by one point. Public opinion was against this method especially as we were borrowing at the rate of 1% or less.

There is also an old note of \$2,700 for bridges which is held by a local bank at 5% per annum. We wish to retire that by the proposed serial note transaction.

This method of procedure has been recommended and

sanctioned by the State Tax Commission (through Harold Fowler), has been approved by many leading citizens and seems reasonable and desirable to us.

Respectfully yours,

JOHN O'CONNELL

WILLIAM J. McDONALD

O. R. BURDWOOD

Selectmen of Bartlett

November 25, 1942.

It appearing that an emergency exists, permission and authority is given to hold a special town meeting which shall have the same power and authority as a regular annual meeting.

Report of Superintendent

To the Citizens and School Board of Bartlett:

For the sake of the record the following changes in the teaching staff may be reported. To succeed Helen Chambers in Grades 4-5-6 Miss Mary Ellen Flaherty graduate of Gorham Normal School was elected by the Board and Miss Mary Dodge a graduate of Washington State Normal School was elected to succeed Miss June DuGay.

I have been very much interested and pleased with the arrangement in your High School. It is rather unique but very effective. If such teachers as you now have can be retained I would suggest that the arrangement be continued at least for the duration. The elementary schools seem to me to be in excellent shape and the Intervale building is one of the finest two-room buildings that I have ever seen.

Everywhere I go, I am impressed by the evidences of the ability and educational leadership of your Superintendent, Mr. John H. Fuller.

The budget submitted by the School Board is predicated on the belief that Bartlett wishes to keep its schools if possible up to the same high level of efficiency as at present.

You will find printed elsewhere the usual statistical tables and the report of the school nurse, Mrs. Hester Bemis. I am sure that the citizens of Bartlett appreciate her untiring efforts in the interest of the health of the pupils. This is no small contribution to the efficiency of the schools.

May I share with you the hope that Mr. Fuller may soon return to you restored in mind and body.

Respectfully submitted,

WESLEY H. DOUGLASS.

Acting Superintendent

Conway, February 13, 1943
